SharedSolar
Community-Owned Solar Farming

Now you can be a part of something bigger. Much Bigger.

You can lease kWh blocks from Provo Power's solar farm located in Spanish Fork! This is a great alternative and an affordable way to utilize renewable power without installing solar panels on your roof, all while getting the benefits of solar power.

To find out more, please go to:

https://www.renewchoice.com/shared_solar/

Participation is an added cost to your utility bill, however, there is potential to reduce your peak energy consumption based on blocks purchased. Please go to the website to get more information and to register.

The following information is provided for utility customer facing economic challenges.
